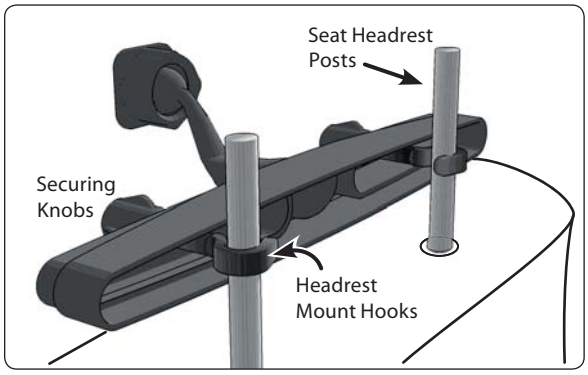
TAB-RSHM | Universal Rear Seat Headrest Mount for Tablets

Package Contents:
(1) HM002-SBH - Rear Seat Headrest Mount
(1) TAB001 - Universal Tablet Holder with (4) regular legs, (2) long legs

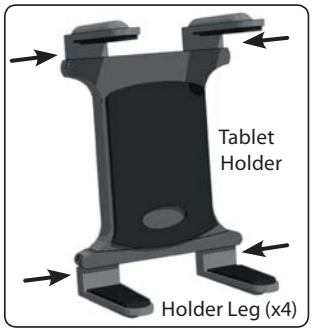
❶ Seat Headrest Mounting

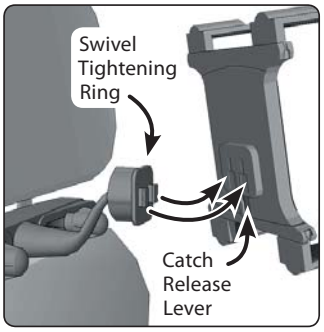
Raise the vehicle's headrest and place the headrest mount hooks around the headrest posts. Tighten the securing knobs.



❷ Holder Assembly

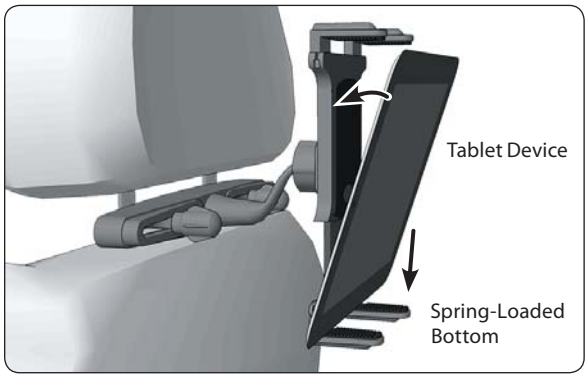
Slide four holder legs into the holder body and attach to headrest mount by inserting the mount into the slots on the back of the holder. To remove the holder, depress the catch release lever and slide the holder off the extension mount.





❸ Loading the Tablet

While securing holder with one hand, press the tablet down on the lower holder legs which are spring loaded. Slide the top of the device under the top support legs and gently release pressure for a snug fit. If necessary, you can use the different size legs provided.



⚠ **Safety Precautions**

Do not install Arkon products over an air bag cover or within the air bag deployment zone. Arkon Resources, Inc. assumes no responsibility of liability for injury or death as a result of car crashes and / or air bag deployment.

Arkon is not responsible for any damages caused to your car, your device, or yourself due to the installation or use of this pedestal mount.
